

Terms of Use Agreement for Winterbrose Products

Non-commercial Personal Use ONLY

Downloading or use of one or more of the files, referred to as the product, available from www.Winterbrose.com by any person or organization signifies acceptance of these conditions and all terms herein, and any agreements imposed by authorized resellers of applicable product(s). The user may not modify, reverse engineer, decompile, disassemble, or create derivative works from any product. The user shall not give, share, distribute, sell, rent, lease, sublicense, or otherwise transfer the product in any form, to include other collected works. The user may use the product for non-commercial and personal uses that are not commercial works in any media form, including digital formats, internet or web pages, file sharing, hardcopies, or any other forms of business or publishing not listed.

Commercial/Publishing License

If your project is business, commercial or publishing related, you may purchase an unrestricted use license by contacting sales@winterbrose.com. The original licensee of the product will then be authorized to use the licensed product to create compilations such as rendered images, pre-rendered animations, or any other rendered output in any format for commercial use, so long as the compilations do not compete with the original product. The unrestricted license is non-transferable and product shall only be used by the original licensee.
