## COMMERCIAL USE LICENSE

This is a merchant resource pack which means that with the purchase of this commercial license and subject to the restrictions below, you may:

1) use the patterns to create your own projects like UV-Mapped *texture templates* for 3D Character or Prop Models and 3D Clothing to sell or share;
2) use the patterns to create *pre-rendered* art and animations for any project, contest or forum;
3) use the patterns in web design so long as the original texture and/or pattern file is not able to be saved or downloaded from the project; and
4) use the pattern file to print out card stock in hardcopy for scrapbooking or similar projects.

You are NOT authorized to do any of the following:

1) share, sell, package or distribute any of the pattern files;
2) share or publish the pattern files on the internet, web pages or online applications;
3) create derivative works like brushes, tubes, nozzles or similar tools from the pattern files;
4) modify or use the pattern files to create new texture sets or patterns; and
5) take credit as creator/designer/distributor for any of the pattern files.

---

## COPYRIGHTS & CREDITS

All pattern files remain the copyrighted property of RoLoW. Credits are not required with the purchase of this commercial license, however, feel free to credit the original artist and distributor as desired:
