SEAMLESS STAMPER for Windows
End User License Agreement (EULA)

This Commercial Use License (referred to as "**LICENSE**") is a legal agreement between You (either an individual or single entity referred to as "**USER**") and the developer Winterbrose Arts & Graphics (referred to as "**PUBLISHER**") for the item(s) described herein titled "*Seamless Stamper*" (referred to as "**PRODUCT**"). *PRODUCT* includes all items provided individually or in an archived/packaged form such as models, software, images, documentation, support files, associated media, printed materials and any "online" or electronic files or documentation. *USER* is responsible for retaining proof of purchase and any issued license codes, serial numbers or product keys required for any legal purpose. This *LICENSE* contains all applicable allowances or restrictions, but may include any additional requirements that are either extended or modified by an included "ReadMe.txt" file. It is the full responsibility of the *USER* to read, understand and adhere to all applicable terms herein. *USER* agrees to be bound by all terms of this agreement by installing, copying, or otherwise using the product. If you do not agree with all terms of this agreement, DO NOT install, download, copy, execute/run, open/read or use the PRODUCT.

COPYRIGHT: *PUBLISHER* maintains that all items in the archive were either created by/for themselves, or are derivative works from something found/verified to be in the public domain. *PUBLISHER* maintains they legally possess the power to grant *USER* this license for all enclosed materials. This *PRODUCT* is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. This *PRODUCT* is licensed not sold. Unless otherwise specified, all of the content of in this package was created by/for *PUBLISHER* and is the copyrighted property with all rights reserved of same. *PUBLISHER* retains the right to license or sell this *PRODUCT* at any price to anyone else, or stop selling it at any time. *USER* is not purchasing the contents, only the right to use the contents as authorized. *USER* retains this license, even if *PUBLISHER* stops selling this work at a later date, or decides to charge a different price. The only way *PUBLISHER* can revoke this license, is if its is shown that *USER* has previously violated it.

PERMISSIONS and **RESTRICTIONS**: The *USER* is hereby granted a non-exclusive, non-transferable license to use all of the contents of the *PRODUCT's* encapsulating archive file in accordance with and within the scope of all applicable licensing terms. *PUBLISHER's* license grant is conditioned on *USER's* continuous compliance with all license limitations and restrictions described in this Agreement. If *USER* violates any of these limitations or restrictions, the *LICENSE* grant will automatically and immediately expire. The license permissions in this section define the scope of rights that *PUBLISHER* grants to *USER*. Any usage of the *PRODUCT* outside the scope of the applicable license grant constitutes an infringement of *PUBLISHER's* intellectual property rights as well as a material breach of this Agreement. *USER* may not redistribute the *PRODUCT*, in whole or in part, to any third parties by any means or in any format. *USER* may not store it on a network or on the Internet where it may potentially be referenced by a third party. *USER* acquires copyright to any artistic works created using this *PRODUCT*, provided that *USER* has taken reasonable steps to prevent any of the original materials being extracted from these works, and these works adhere to all terms of *LICENSE*. If *PUBLISHER* can show that any of the original material can easily be extracted from *USER's* works, *PUBLISHER* can demand both the original and artistic work, and all copies thereof, be deleted. *PUBLISHER* may also revoke this license if the *USER* has violated it. For example, *USER* cannot use the included product files as the basis to create their own products (derivative works) to give-away, share or sell. However, derivative products can be created for the exclusive (private) and non-published use of the *USER* so long as these derivatives meet all other requirements of this license.

REFUNDS: Buyer cannot return an item once purchased. Like all electronic media, there is no way to give a refund just because you don't like something, there simply is no way to return it. If you aren't sure about an item, don't buy it! Ask the Artist for some work done with the item to see the results. Ask in the forums if anyone else has purchased the item, and if they thought it was worth the money. However, once Buyer has purchased an item, there is no getting your money back or exchanging the item under any circumstances.

LIABILITIES: *USER* is liable for all damages incurred as a result of not using the *PRODUCT* within the scope of this license, or using the *PRODUCT* for illegal or unauthorized purposes. In all cases, the *PUBLISHER's* liability only extends to the price paid for the *PRODUCT*.

BACKUPS: *USER* may make backup copies of the *PRODUCT* files for personal archival purposes only.
